

2019 SURVEY RESULTS

The Chef Ann Foundation is celebrating 10 years of school food change! As a member of our community, we value your input. We gathered important information from you, our supporters, to develop programs that are most relevant to our mission. Here's what you had to say.

CONNECTION TO SCHOOL FOOD

Most everyone who completed our survey identified as either a parent, food or nutrition services director at a school, or a person connected to healthy living & good food for kids.

APPEALING NEW CONTENT

We asked you what new content sounded the most appealing from the Chef Ann Foundation. Looks like you're interested in a little more of everything!

MOST POPULAR PROGRAM

Although all of our programming is focused on bringing healthier, scratch-cooked food to schools, 71% of our supporters were most interested in Get Schools Cooking. Learn more at chefannfoundation.org/programs-and-grants.
